Scent & Find Seminar

Nancy Reyes of For Your Canine will discuss how to get started in one of the fastest growing dog sports, Nose Work. Scent detection comes natural to our furry friends, enjoy working with your dog to "find" a hidden treat, that eventually is

paired with a scent like "Almond". Nancy has years of experience with tracking/nose work, and will be pioneering a new program in 2011. This program will be used at MASCA Nationals 2011.

Time: Thursday, April 28th, 2011 8am-9am

Cost: \$20 with dog, \$10 to audit (No experience Necessary)

C.A.R.A.T. TEMPERAMENT SEMINAR

\$20.00 Day of Show

Suzanne Clothier Methods

Nancy Reyes and Lisa Bataska of [For Your Canine](http://www.foryourcanine.com) have worked closely with Suzanne Clothier on her new method of temperament evaluation. They will discuss specific personality traits and how dogs differ in biddability, patience, excitability, sociability, etc. Improve your breeding program by better understanding temperament, and learn how to place puppies and dogs in appropriate

homes for their individual disposition. Evaluating rescue dogs will also be discussed. This is an introduction to the Suzanne Clothier method.

Time: Thursday, April 28th, 7:00-8:00pm.

C.A.R.A.T Temperament Evaluations
